

# **PYMBLE GROVE HEALTH CENTRE**

## **NEW PATIENT – LYME DISEASE DR PETER DOBIE**

Please complete the attached questionnaire and bring it with you to the first consultation.

The questionnaire refers to current symptoms.

Please also bring;

- a written summary of current and previous medical problems
  - a summary of any previous treatment for Lyme disease
- copies that you can leave with us of any previous blood tests for Lyme disease
  - any other blood tests you have done in the last 12 months.
